Reliance Standard Increases Rates Across Fixed and Fixed Index Annuity Products

January rate adjustments reflect continued commitment to competitive, sustainable offers backed by financial strength.

Philadelphia, PA – January 30, 2026 – Reliance Standard Life Insurance Company, a member of the Tokio Marine Group, announced interest rate increases across its fixed and fixed index annuity product lines. The adjustments, effective January 29 for traditional fixed annuities and February 3 for fixed index annuities, follow rate increases on select products earlier this month.

“We’re pleased to offer increases across our annuity portfolio,” said David Whitehead, Senior Vice President of Sales and Marketing for Retirement Services. “These adjustments reflect our disciplined investment approach and commitment to delivering sustainable value for financial professionals and their clients.”

He added, “Our focus remains on being a reliable partner, not just competitive rates, but consistent service, straightforward products, and a team that’s responsive when financial professionals need us.”
