Reliance Standard Maintains Stable Minimum Guaranteed Rates for Q3 2025

Philadelphia, PA – June 16, 2025 – Reliance Standard Life Insurance Company, a member of the Tokio Marine Group, announced that minimum guaranteed interest rates for its deferred annuity products will remain unchanged for Q3 2025, effective July 1 through September 30, 2025.

“Our commitment to rate stability reflects our disciplined approach to risk management and long-term thinking,” said David Whitehead, senior vice president of Retirement Services Sales and Marketing. “While market conditions continue to present challenges, our strong capital position allows us to maintain consistent minimum guarantees that help clients plan with confidence for their financial future.”

Reliance Standard will continue to adjust the Minimum Guaranteed Interest Rate on a quarterly basis for products filed under the indexed non-forfeiture law, with changes dependent upon market conditions and subject to regulatory floors and caps.
