### **AM Best Financial Strength Rating of A++ (Superior)**

---

We are pleased to announce that AM Best has affirmed the Financial Strength Rating of A++ (Superior) of Reliance Standard Life Insurance Company (Schaumburg, IL). These ratings reflect our balance sheet strength, which AM Best assesses as very strong, as well as our strong operating performance, neutral business profile and very strong enterprise risk management (ERM).

At Reliance Standard, our business is built on the promise of providing savers with safe, secure annuities to help them preserve wealth into retirement and beyond.

Reliance Standard has provided risk management and financial protection solutions for over a century. Our annuities help protect retirement savings from market volatility and provide individuals and families with peace of mind. Our index annuity products offer indexed interest strategies that can generate market-linked returns while eliminating market losses.

Integrated staffing, training and technology help ensure every client and customer touchpoint is efficient, accurate and seamless — resulting in a highly consistent and thoughtful service experience.

Our disciplined approach to strategically managing assets and liabilities helps ensure we can deliver on our promise to provide security to savers. Finally, our solid reputation and sound risk management framework have expanded our investment management responsibilities across the globe, as a trusted asset manager for Tokio Marine and its affiliates.

When choosing an annuity provider for your customers, it's essential that the carrier you select is financially strong and service-centric. Reliance Standard offers your customers a Strong, Reliable, and Secure solution for their retirement savings.
