### **AM Best Financial Strength Rating of A++ (Superior) Affirmed**

I am pleased to announce that AM Best has, once again, affirmed the Financial Strength Rating of A++ (Superior) of Reliance Standard Life Insurance Company (Schaumburg, IL). The ratings of Reliance Standard reflect its balance sheet strength, which AM Best assesses as very strong, as well as its strong operating performance, neutral business profile and very strong enterprise risk management (ERM). At Reliance Standard, our business is built on the promise of providing savers with safe, secure annuities to help them preserve wealth.

For over a century Reliance Standard has provided risk management and financial protection solutions and our annuities help protect retirement savings from market volatility and provide financial peace of mind. Our index annuity products offer indexed interest strategies that can generate market-linked returns while eliminating market losses. Our integrated staffing, training and technology helps ensure every external touchpoint is efficient, accurate and seamless — resulting in a highly consistent and thoughtful service experience.

Our disciplined approach to strategically managing our assets and liabilities helps ensure we can deliver on our promise to provide security to savers. Our solid reputation and sound risk management framework have allowed our investment management responsibilities to span the globe, as the trusted asset manager for Tokio Marine and its affiliates.

When choosing an insurance carrier for your customers, it's essential that the carrier you select is financially strong and has the ability to meet its financial obligations to policyholders as well as a robust risk management framework to ensure a reliable and safe service experience. Reliance Standard offers your customers a Strong, Reliable, and Secure solution for their hard earned retirement savings.
